Right of Way for Water Mains.

The Water Committee of the East Orange City Council met with the Millburn Township Committee Wednesday night and attempted to adjust the differences between the two bodies over the question of right of way for East Orange water mains through Millburn. The township had asked a payment of \$500 a year for the privilege. This amount was fixed to offset the taxes on property which had been bought by the city and on which the township cannot now levy an assessment. As a counter proposition East Orange offered to pay a lump sum of \$3,000, but the Township Committee refused to accept it.

City Counsel Philemon Woodruff said that the East Orange authorities had gone over the matter thoroughly, and that he had conferred with Mr. Barrell, the Township Counsel, and they had gone over the legislative acts with regard to the matter, and that the law clearly gave them the right to go through on a private right of way, if not on the roads. He said that East Orange was the only municipality in the State, with one exception, which had ever been asked to pay for a right of way. This exception was the city of Newark, which was held up by Bloomfield, when laying water mains there, and was obliged to make arrangements to take care of a part of the sewage system which their mains had cut off.

Chairman Hopkins said that the cases were not parallel, in that East Orange was taking away taxable property, and the committee did not ask anything for the right of way, but that they intended, if possible, to get back some part of it.

A Month's Medicine for 25c.

Every bottle of Dr. Howard's Specific for the cure of constipation and dyspepsia contains sixty doses of a remedy that is pleasant and easy to take.

Used according to directions, this is sufficient for a month's treatment. Bought on W. W. Keyler's special half-price offer of a regular-sized 50 cent bottle at half price you get a month's supply of the best medicine in the world for only 25 cents.

Another reason why you should use Dr. Howard's specific, or at least try it, if suffering with constipation, dyspepsia or liver trouble, is the fact that Druggist W. W. Keyler sells every bottle under his personal guarantee to refund the money if the specific does not cure.

Many lives are lost by treating the sick for the wrong disease. If you have any of the following symptoms, Dr. Howard's Specific will cure you:

Loss of Appetite, Sick Headache, Sour Stomach, Great Mental Depression, Belching of Gas, Bloating of Stomach, Heartburn, Tired, Stupid Feeling, Lack of Energy, Specks before the Eyes, Constipation, Choking Feeling, Gnawing in the Stomach, Stomach Cough, Pains in Sides and Chest, Dull Pains in the Head, Coated Tongue, Melancholy Forebodings, Loss of Sleep, Throwing up Food after Eating, Bad Dreams.

There are hundreds of people in Bloomfield who are praising this remarkable remedy for restoring them to health. Many of them thought their case incurable, but as Druggist W. W. Keyler told them Dr. Howard's Specific would cost them nothing if it did not help, (they to be the judge), they decided to use it, and are to-day in the best of health.—Advt.

Lackawanna Summer Resorts.

"Mountain and Lake Resorts" is the title of an attractive publication just issued by the Passenger Department of the Lackawanna Railroad. The book is intended to give readable and reliable information about vacation places along that road, and its 126 pages are filled with suggestions for those seeking summer homes. The various hotels and boarding places, their location, rates and facilities are accurately described, and in addition there are two large maps of the territory reached by the Lackawanna, showing the principal roads, streams, lakes and other topographical features on a large scale. These maps are in colors, and were especially designed for this edition. More than 100 half-tones add to the interest of the book, and a brightly written love story, entitled "A Chance Courtship," completes its contents.

The book may be had by sending the necessary postage of ten cents to T. W. Lee, General Passenger Agent, New York, N. Y.
